Observe
population distribution
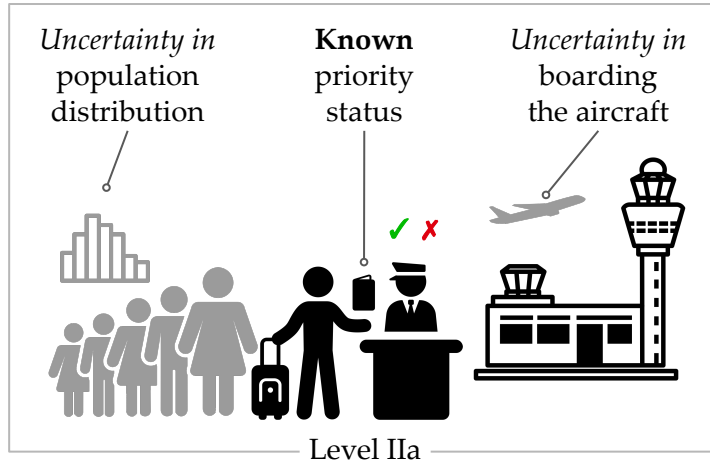

YES — NO

Observe
priority status

YES — NO

Level I (Observe population distribution: YES, Observe priority status: YES)
- **Known** population distribution
- **Known** priority status
- *Uncertainty in* boarding the aircraft

Level IIa (Observe population distribution: NO, Observe priority status: YES)
- *Uncertainty in* population distribution
- **Known** priority status
- *Uncertainty in* boarding the aircraft

Level IIb (Observe population distribution: YES, Observe priority status: NO)
- **Known** population distribution
- *Uncertainty in* priority status
- *Uncertainty in* boarding the aircraft

Level III (Observe population distribution: NO, Observe priority status: NO)
- *Uncertainty in* population distribution
- *Uncertainty in* priority status
- *Uncertainty in* boarding the aircraft
